STAT

MEMORANDUM FOR: Office of Legislative Liaison
Attn: [redacted]

STAT

FROM: [redacted]
Chief, Information and Privacy Division

SUBJECT: House Permanent Select Committee on Intelligence
Questions of the Chairman

REFERENCE: Letter from HPSCI Chairman to William J. Casey
dtd 2 Feb 1984 on the Subject of the FOIA Bill
H.R. 3460

STAT

1. Per your request, we have reviewed statement (2) of Chairman Boland's letter concerning the topics of two prior FOIA requests submitted to the Agency [redacted]

[redacted] We find that under the proposed FOIA bills that a major portion of the material responsive to these topics would be located in searches in nondesignated files of the DDS&T, the DDI, and the DDA. Material was located in the DDO which would now be a designated file after passage of the proposed FOIA initiative. To the best of our knowledge the DO material requested only a minor portion of the [redacted] request that was released. It should not have an effect on the overall content of that which was released.

STAT

2. I should point out that if this material was the subject of an IG inspection or an impropriety, then the material would, of course, be searched in designated files as provided for by these legislative initiatives. If we can be of further assistance in this matter please contact me or [redacted] of our Appeals and Litigation Branch on Extension [redacted]
